Secretary Federico Peña

Dear Secretary Peña:

The Rocky Flats Citizens Advisory Board requests that the U.S. Department of Energy extend the comment period on the *Accelerating Cleanup: Path to Closure* document by 10 days. The comment period is scheduled to close on April 28, and we ask that it be extended to May 8. This extension is necessary to be able to accommodate committee review prior to our May 7 monthly Board meeting.

Sincerely,

Tom Marshall
Chair
