Dear Ms. Mazurowski:

The Rocky Flats Coalition of Local Governments thanks you for your efforts in securing the Department of Energy's approval of the 70-point retirement plan for the Rocky Flats steelworkers. The safe and effective cleanup and closure of Rocky Flats by 2006 remains a pivotal goal for the Coalition. As we have discussed with you and your staff, we believe the 70-point retirement plan will help ensure that Rocky Flats retains the necessary workers to achieve this goal.

We applaud your efforts and welcome the opportunity to work with you on other key issues.

Sincerely,

/s/
