ACKNOWLEDGEMENTS

The research and preparation of this report was completed by Parker-Hall Inc., a multidisciplinary environmental consulting firm located in Boise, Idaho. This research project was developed by the Rocky Flats Citizens Advisory Board (CAB) in response to expressed public concerns. The following individuals are responsible for completing the project.

Project Staff and Report Preparation

Parker-Hall Inc.

Dorothy Hall, Project Manager

George Maier

George Murgel, P.E.

Project Direction

Rocky Flats Citizens Advisory Board

Ken Korkia, CAB Board/Staff /Coordinator

Beverly Lyne, Chair, Health Committee

The success of this project would have been difficult without the contributions from other individuals. The authors are grateful to the staff of Kaiser-Hill and its subcontractors, the Colorado Department of Public Health and Environment, and the Cities of Broomfield and Westminster for furnishing information and documents, sharing their technical expertise, and reviewing the reports. Their valuable suggestions and knowledgeable input are greatly appreciated. The following individuals contributed directly to this project.

Technical Resources and Peer Review

CDPHE

Dick Fox

Tony Harrison

Jeb Love

Sandy Marek

Elizabeth Pottorff

Rob Terry

Kaiser-Hill & Subcontractors

Keith Motyl

Marsha Murdock

Steve Nesta

Bob Nininger

Rick Roberts

Steve Singer

Rob Smith

George Squibb

Cities

Mary Harlow, Westminster

Hallie Mahan, Broomfield

Kathy Schnoor, Broomfield

Tom Settle, Westminster

Other Contributors

Susan Barron, CAB

Dr. Bruce Honeyman

Erin Rogers, CAB

Deb Thompson, CAB

The U.S. Department of Energy is gratefully acknowledged for funding this project. The authors are particularly appreciative of the support and guidance from members of the Citizens Advisory Board. Special appreciation is also due to the many unnamed individuals who directly or indirectly contributed to the successful completion of this project.
